MEMORANDUM FOR LEGISLATIVE MANAGEMENT COMMITTEE

FROM: Senator Lyle W. Hillyard, Co-Chair, Executive Appropriations Committee
Representative Mel Brown, Co-Chair, Executive Appropriations Committee

DATE: May 14, 2013

SUBJECT: Assignment of Interim Study to GOMB

UCA 63J-1-701 states, "The Legislative Management Committee, upon recommendation of an appropriations subcommittee of the Legislature, may request of the governor for any designated fiscal year, an in-depth budget review of any state department, agency, institution, or program."

The Executive Appropriations Committee recommends the Legislative Management Committee request that the Governor's Office of Management and Budget (GOMB) perform an in-depth budget review of the Department of Veterans' and Military Affairs during the 2013 Interim period. We also recommend that you request that GOMB report their findings to the Executive Appropriations Committee before the 2014 General Session.
